Introduction	xv
Foreword by Diane Lee	xxii
Foreword by Reed Phillips	xix
Preface	xxi

PART I. OVERVIEW / 1

1. The Clinical Evolution of Low Back Syndromes	3
<i>Craig E. Morris</i>	
2. Functional Anatomy of the Lumbar Spine	19
<i>Robert A. Walker and Jaroslaw P. Grod</i>	
3. Biomechanics of the Low Back	63
<i>Kim Ross, Walter Herzog, and Bruce P. Symons</i>	
4. Epidemiology of Low Back Syndromes	83
<i>Eric L. Hurwitz and Paul G. Shekelle</i>	
5. Functional Control of the Low Back	119
<i>Paul Hodges and Vladimir Janda</i>	

PART II. LOW BACK SYNDROMES / 147

6. The Intervertebral Disc and Its Syndromes	149
<i>Dennis R. Skogsbergh and Matthew H. Kowalski</i>	
7. The Stenotic Syndromes	185
<i>Dennis R. Skogsbergh and Matthew H. Kowalski</i>	
8. The Posterior Joint Syndromes: Zygapophyseal and Sacroiliac Joints	215
<i>David Byfield, Peter McCarthy, Vincenzo Cascioli, Mark Webster, and Drew Heusch</i>	
9. Myofascial Pain in Low Back Syndromes	243
<i>Michael Schneider and Craig E. Morris</i>	
10. Red Flags for Serious Disease in Low Back Syndromes	277
<i>Donald R. Murphy, Gideon Letz, and Craig E. Morris</i>	

11. **Nonspecific Low Back Pain and Chronic Low Back Syndromes** 287
Paul D. Hooper, Craig E. Morris, J. David Cassidy, and Niels Grunnet-Nilsson

PART III. ASSESSMENT OF THE LOW BACK/303

12. **History and Physical Examination for Low Back Syndromes** 305
Diane N. Resnick and Craig E. Morris
13. **Functional Examination for Low Back Syndromes** 333
Craig E. Morris, Leon Chaitow, and Vladimir Janda
14. **Subjective and Objective Outcomes Assessment of Low Back Syndromes** 417
Mark S. Edinger, Steven G. Yeomans, and Alan C. Breen
15. **McKenzie Protocols for Mechanical Assessment of the Low Back** 463
Steven Heffner, Robin McKenzie, and Ronald Donelson
16. **Diagnostic Imaging Approaches to the Evaluation of Low Back Syndromes** 477
Dennis R. Skogsbergh and Kendall M. Jones
17. **Minimally Invasive Approaches to the Evaluation of Low Back Syndromes** 511
Srdjan S. Nedeljković
18. **Neurodiagnostic Approaches to the Evaluation of Low Back Syndromes** 529
Rand S. Swenson
19. **Biopsychosocial Factors in Low Back Syndromes** 555
Jake Epker and Andrew R. Block

PART IV. CONSERVATIVE TECHNIQUES FOR LOW BACK SYNDROMES/577

20. **Manipulation Techniques for Low Back Syndromes** 579
Paul D. Hooper and Craig E. Morris
21. **The Biomechanics of Spinal Manipulation** 597
Walter Herzog
22. **McKenzie Protocols for Mechanical Treatment of the Low Back** 611
Steven L. Heffner, Robin McKenzie, and Gary Jacob
23. **Mobilization Methods for Low Back Syndromes** 623
Craig E. Morris, Muffit Jensen, and Vladimir Janda
24. **Minimally Invasive Procedures for the Treatment of Low Back Syndromes** 651
Srdjan S. Nedeljković
25. **Manual Therapeutic Techniques for Low Back Syndromes: An Overview** 691
Vladimir Janda, Philip Greenman, Leonard J. Faye, Donald R. Murphy, and Craig E. Morris

PART V. REHABILITATION OF THE LOW BACK/707

26.	Rehabilitation Strategies in Low Back Syndromes <i>Donald R. Murphy and Craig E. Morris</i>	709
27.	Rehabilitation of the Surgical Lumbar Spine Patients <i>Andre Labbe, Phil Page, and Craig E. Morris</i>	727
28.	Lumbopelvic Sensorimotor Training and Functional Stabilization <i>Donald R. Murphy and Craig E. Morris</i>	741
29.	Clinical Management of Athletes with Low Back Syndromes <i>Steven Z. George, Anthony Delitto, and Richard C. Lehman</i>	781
30.	Clinical Management of Elite Athletes with Low Back Syndromes <i>Rick Lehman, Craig E. Morris, Scott Rose, and Greg Roskopf</i>	797

PART VI. CLINICAL MANAGEMENT/819

31.	Evidence-Based Treatment of Back Pain <i>Nikolai Bogduk</i>	821
32.	Clinical Decision Making: When to Recommend Back Surgery <i>Rick Delamarter and Kambiz Hannani</i>	841
33.	Presurgical Psychological Screening for Low Back Syndromes <i>Andrew R. Block</i>	859
34.	Management of Occupational Low Back Injuries <i>Alan L. Colledge, Edward B. Holmes, Roger Pack, Hugh I. Johnson, and Scott DeBerard</i>	869
35.	Clinical Management of Chronic, Disabling Low Back Syndromes <i>Vert Mooney, Joe L. Verna, and Craig E. Morris</i>	893
36.	Risk Management for Low Back Syndromes <i>James Kutz, David Chapman-Smith, and Craig E. Morris</i>	911
37.	Low Back Syndromes: A Final Perspective <i>Craig E. Morris</i>	927

	Index	939
